Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Submitted herewith on Form PTO/SB/08 is a listing of documents known to Applicants in order to comply with Applicants' duty of disclosure pursuant to 37 CFR §1.56.

A copy of each non-U.S. patent document and each non-patent document is being submitted to comply with the provisions of 37 CFR §1.97 and §1.98.

The submission of any document herewith is not intended as an admission that such document constitutes prior art against the claims of the present application or that such document is considered material to patentability as defined in 37 CFR §1.56(b). Applicants do not waive any rights to take any action which would be appropriate to antedate or otherwise remove as a competent reference any document which is determined to be a *prima facie* art reference against the claims of the present application.

TIMING OF THE DISCLOSURE

The listed documents are being submitted in compliance with 37 CFR §1.97(c), before the mailing date of either a final action under 37 CFR §1.113, a notice of allowance under 37 CFR §1.311, or an action that otherwise closes prosecution in the application.

RELEVANCE OF EACH DOCUMENT

WO 92/20376 is a foreign-language document. An English translation of WO 92/20376 is not in the possession, custody, or control of, or readily available to, the Applicants. However, this foreign-language document has an English language abstract. Moreover, the absence of an English language translation does not relieve the PTO from its duty to consider the foreign language document. *See* 37 CFR §1.98 and MPEP §609.

According to its English language abstract, WO 92/20376 describes compositions which can promote the percutaneous absorption of drugs that contains p-hydroxybenzoic esters, water and a lower alcohol as the essential ingredients, and also to compositions containing p-hydroxybenzoic esters, water, a lower alcohol and a drug.

Applicants respectfully request that each listed document be considered by the Examiner and be made of record in the present application and that an initialed copy of Form PTO/SB/08 be returned in accordance with MPEP §609.

FEE

A credit card payment form is enclosed that includes \$180.00 to cover the fee associated with an information disclosure statement under 37 CFR §1.97(c), as required by 37 CFR §1.17(p). The Commissioner is hereby authorized to charge any additional fees which may be required regarding this application under 37 C.F.R. §§ 1.16-1.17, or credit any overpayment, to Deposit Account No. 19-0741. Should no proper payment be enclosed herewith, as by the credit card payment form being unsigned, providing incorrect information resulting in a rejected credit card transaction, or even entirely missing, the Commissioner is authorized to charge the unpaid amount to Deposit Account No. 19-0741.

Respectfully submitted,
